2. Details

Title: Use the RSB CPD platform to host CPD records

Storing CPD records online is easy-accessible and could act as a backup, in case of any local file lose. As an Associate member of the Royal Society of Biology (AMRSB), I have access to the CPD platform which could be used to record all CPD activities. The figure below shows the home page of the CPD platform, which I can see what type of evidence, points collected and number of evidence I have collected. (Standard 1)

The screenshot shows the 'mySociety' website interface. The left sidebar contains navigation links: Membership benefits, RSB News, The Biologist (web), The Biologist (digital), myLearning, Policy Resource Library, RSB website, MY ACCOUNT (Security Settings, Privacy Centre), and NOTIFICATIONS. The main content area is titled 'Continuing Professional Development' and 'Royal Society of Biology - Self Service'. It shows a 'Your CPD Record' section with a table of activities.
